

Field trip days are the best days! To maximize the fun and safety for everyone, please stick to the following guidelines.

- Follow all directional signage for respective bus and parent/guardian parking. Personal vehicles may **NOT** park in bus lots.
- Unite with your school group **AFTER** entering the Zoo. Please keep your group moving and do not stop on the bridge.
- Take advantage of color zones, designated by the teacher, as meet-up spots throughout the park.
- Enjoy your “classroom” in the wilds of the Fort Worth Zoo!
