Privacy Policy

South Sydney Junior Rugby League Club Ltd is subject to the provision of the Privacy Act 1988. The personal information provided by you on this form/application and attached documents will be used to process your membership application. Failure to provide all of the requested information may result in your application being rejected. You have a right to access and correct any of your personal information that the Club holds. Your personal information, including information about you obtained as a result of you placing your membership card in a Gaming or other machine (not ATMs) may be used by the Club for marketing purposes to improve our services and to provide you with the latest information about these services, any new related services and/or promotions. A full disclosure of our privacy policy is available on our website www.thejuniors.com.au.

Gaming machine Player Activity Statements are available upon request from the club.

Sharing information with other organisations

We will not sell your personal information to other organisations. We will generally only give another organisation access to your personal information when the other organisation is providing services to us that help us to operate our business or to provide a service to you. We require these organisations to agree to our Privacy Statement, meet strict conditions on the use of personal information, and to comply with the National Privacy Principles in the use, storage and disclosure of your personal information. Such organisations are those that assist us:

To provide, manage or administer the products and services that we offer. This includes service providers (such as mail house providers, printers and advertising agencies), postal services, call centres, customer research agencies and our advisers; To maintain, review, and develop our business systems, procedures and infrastructure, including testing or upgrading our computer software; With reviews of our business operations and structure; To collect outstanding debts; and With developing and planning new products and services.
