TABLE III.—STATE OF ALABAMA.

NOTE.—The marginal column marks beats, precincts, or land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the names of the precincts or beats in which they are respectively situated. The population of each beat or precinct includes that of all towns situated in it.

## STATE OF CALIFORNIA.

NOTE.—The marginal column marks townships or supervisor's districts, precincts, and land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the names of the townships or supervisor's districts, precincts, and land-survey townships in which they are respectively situated. The population of each township or supervisor's district, precinct, and land-survey township, includes that of all towns situated in it.

(a) Abolished in 1866 and annexed to townships Nos. 3 and 6.

(b) In 1861 the old townships abolished and county reorganized, as shown in 1870, with boundary lines more or less changed.

(c) In 1861 Cascade to Mountain Spring and Oro.

(d) In 1861 Concow from Kimshew.

(e) In 1861 Eureka to Hamilton and Oregon.

(f) Townships Nos. 1, 2, and 3 annexed to Amador County in 1855, and no change made in the remaining numbers.

(g) Butte and Union returned together, there being no defined line of boundary between them.

(a) Since 1860 from all of Murderkill.

(b) In 1870 the first eight wards could not be separately had from the schedules. These items were obtained from the marshal, and are only approximations, while the totals for the city are exact.

(c) Georgetown from Broadkill.

(d) Scaford from Northwest Fork.

## STATE OF FLORIDA.

NOTE.—The marginal column marks precincts, which in some counties were returned according to their former boundaries. In other counties the names in the marginal column are only names of polling-places around which voters and their families have been grouped. The first indentation marks cities; the second, towns. Names of towns are placed under the names of the precincts in which they are respectively situated. The population of each precinct includes that of all towns situated in it.

## STATE OF GEORGIA.

NOTE.—The marginal column marks militia districts, whose numbers are official; the names are those in general use. The first indentation marks cities; the second, towns. Names of towns are placed under the names of the militia districts in which they are respectively situated. The population of each militia district includes that of all towns situated in it.

## STATE OF ILLINOIS.

NOTE.—The marginal column marks townships, precincts, and land-survey townships; the first indentation, cities; the second, towns. Names of towns are placed under the name of the township, precinct, or land-survey township in which they are respectively situated. The population of each township, precinct, or land-survey township includes that of all towns situated in it.
